Chan

East Asian Dynamism

Growth, Order and Security in the Pacific Region, Second Edition

This book offers a succinct account of Pacific regional political economy from the dawn of the modem world system to projections of alternative futures. It addresses the cardinal policy values of economic growth, political order, and military security in the Pacific region.

This book offers a succinct account of Pacific regional political economy from the dawn of the modem world system to projections of alternative futures. It addresses the cardinal policy values of economic growth, political order, and military security in the Pacific region.
