Trump

Practical School Security

Basic Guidelines for Safe and Secure Schools

"Covers every possible security issue. A practical, 'nuts-and bolts' approach with concrete ideas that are usable in all schools." Larry Leapley, Principal Trenton High School, Trenton, Michigan "Practical, cost-effective security strategies. A great reference book!" Chief John R. Fechko Seven Hills Police Department, Ohio If not — and even if you think it is — this book will help you Recognize real threats to your school Get past any political obstacles to securing your school Conduct a security assessment and implement needed security procedures Decide which security strategies work best for your school Trump provides a well-thought-out, thorough guide to creating and implementing a workable safety and security plan for your school. The author covers all aspects of making (and keeping) a school safe and secure including internal school security, physical security, and the use of drug-sniffing dogs and metal detectors. He gives you practical, realistic advice you can use to make your school safer now. You'll find ideas for working with community leaders, police, parents, businesses, and political officials to improve school and community safety and security. Read and use this guide to keep your students and your staff safe.

A thorough guide to creating and implementing a workable safety and security plan for your school.
