

Soc 2013

Make Sociology new with McGraw-Hill's Connect Sociology and SOC 2013. New to Connect is Investigate Sociology, a brand-new tool that develops students' sociological imaginations by placing them in provocative scenarios where they must analyze various sources and determine a solution. Connect also comes with LearnSmart, an adaptive questioning tool proven to increase content comprehension and student results, as well as fun interactivities like In their Shoes and Applying the Perspectives that teach sociology's three theoretical frameworks. Finally, make sure students come prepared to class by assigning our many e-book activities. With McGraw-Hill's digital tools, focus on what you do best—teaching. Unique to this program, SOC 2013 uses extensive research to meet students where they are, by providing an appealing, affordable and current program. This, coupled with powerful digital learning tools, makes SOC 2013 an ideal choice for your introductory course.
