

Axhausen

Moving Through Nets

This volume is based on selected papers presented at the triennial IATBR (International Association for Travel Behavior Research) conference in August 2003. We also published the previous four volumes in this series (by Hensher, Mahmassani, Ortuzar, Stopher); the Hensher volume included a paper by Nobel Prizewinner Dan McFadden and sold out its initial print run.

Based on selected papers presented at the triennial IATBR (International Association for Travel Behavior Research) conference in August 2003.
