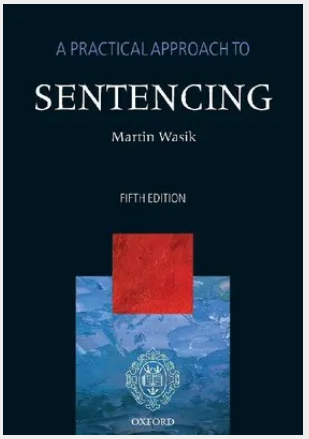
# A Practical Approach to Sentencing



Sentencing is one of the fastest moving areas of law, with frequent legislative changes and hundreds of reported appellate decisions each year. A Practical Approach to Sentencing - a completely updated and revised new edition of Emmins on Sentencing - offers the most comprehensive coverage of modern sentencing law, making it an essential purchase for all criminal practitioners. The book provides a clear and complete guide to the sentences which are available to the courts, describing the powers of sentencing which can be used and how they are likely to be exercised in practice by the Crown Court or magistrates' courts. Offering guidance and analysis on sentencing principles and procedures, the book also provides a practical summary of relevant sentencing guidelines and leading guideline decisions. With thorough coverage and explanation of the changes brought about by the Legal Aid, Sentencing and Punishment of Offenders Act, this new edition is an indispensable guide for criminal practitioners at all levels. The A Practical Approach series is the perfect partner for practice work. Each title focuses on one field of the law, providing a comprehensive overview of the subject together with clear, practical advice and tips on issues likely to arise in practice. The books are also an excellent resource for those new to the law, where the expert overview and clear layout promote clarity and ease of understanding.

Formerly known as Emmins on Sentencing, this new edition offers a comprehensive and practical guide to this rapidly moving area of criminal law. Written by Professor Martin Wasik and providing detailed treatment of recent sentencing legislation, A Practical Approach to Sentencing is an essential purchase for all criminal practitioners.
