Curtis / Pettigrew

Education Studies Reflective Reader

This text looks at key themes and topical debates within Education Studies, using a number of important extracts and writings to exemplify different perspectives and help students gain deeper understanding. Extracts and writings are presented in an accessible way, helping the reader to develop critical skills while dealing with core content. Topics are organised into three major themes - Theorising education, Education and social justice and Education in the 21st century - to provide comprehensive coverage of the most important current issues within this field.
