Berry & Kohn's Operating Room Technique

For 50 years, Berry & Kohn's Operating Room Technique has been the text of choice for understanding basic surgical principles and techniques. Berry & Kohn's enjoys continued success in both educational and professional markets because of its readability, accuracy, clarity, and comprehensiveness. It covers the "nuts and bolts? of surgical techniques in a step-by-step format that enables learners to effectively apply basic principles to clinical practice. The eleventh edition features an engaging full-color design, a new chapter on spinal surgery, new Patient and Team Safety boxes, unique perioperative flash cards, expanded teaching supplements for instructors, and much more.
