Laboratory Animals

Regulations and Recommendations for Global Collaborative Research

Laboratory Animals: Regulations and Recommendations for Global Collaborative Research is the only publication to offer a compilation of standards across the world in the care, welfare and use of animals in research. Timely in the new legislation in numerous regions of the world, this book provides the information in easily accessible, readable language. For professionals across laboratory animal science and biomedical research, Laboratory Animals: Regulations and Recommendations for Global Collaborative Research provides a broad picture of the regulations required in other areas of the world and is essential to appropriately manage animal care and use programs.
