

Behavioral Analysis

Behavioral Analysis, the latest release in the Advanced Forensic Science series, an ongoing reference that grew out of recommendations from the 2009 NAS Report: Strengthening Forensic Science: A Path Forward serves as a graduate level text for those studying and teaching forensic psychology, and is also an excellent reference for forensic psychologists. Coverage includes investigations, death and violence, abuse, other methods and professional issues. Edited by a world-renowned, leading forensic expert, the Advanced Forensic Science series is a long overdue solution for those in the forensic science community.
