Dragons and Tigers

A Geography of South, East and Southeast Asia

Dragons and Tigers: A Geography of South, East, and Southeast Asia, Third Edition explores and illustrates conditions, events, problems, and trends of both larger regions and individual nations. Using a cross-disciplinary approach, the author discusses evolving physical and cultural landscapes. Nature-Society relations provide the foundation for social, economic, political, and environmental problems. Dragons and Tigers is the only textbook that covers all three regions – South Asia, East Asia, and Southeast Asia – in one textbook. It is the most comprehensive book on the market about the geography of Asia.
