Applications of Fluoropolymer Films

Properties, Processing, and Products

Applications of Fluoropolymer Films: Properties, Processing, and Products presents an overview of fluoropolymer films, manufacturing methods, typical properties, and commercial grades for each type of fluoropolymer film. The second part of the book is uniquely focused on the applications of fluoropolymer films, with detailed information on their use in cutting-edge items across major industries, including aerospace and automotive, architectural, chemical processing, construction, consumer products, electronics, food packaging, pharmaceuticals and solar energy.
