Chen / Gottlieb

Language Planning and Language Policy

East Asian Perspectives

Examines the major issues of language planning and policy in Japan, Mainland China, Hong Kong, Taiwan, Korea and Vietnam, particularly those relating to the selection of official language, script, and written language.

Highlights the shift in language planning and language change in Japan at the end of the 20th century against a background of significant socio-cultural, political, and economic change and places them in a comparative context.
