Solid State Science and Technology

2nd International Conference on Solid State Science and Technology ICSSST 2006

This book contains papers presented at the Second International Conference on Solid State Science and Technology 2006, ICSSST 2006, a three-day conference on solid state science and technology. The conference provides a forum for the exchange of knowledge in a highly interdisciplinary field and brings together scientists working in academic and applied research in the field of solid state science and technology.
