Hollis-Brusky

Ideas with Consequences

The Federalist Society and the Conservative Counterrevolution

There are few intellectual movements in modern American political history more successful than the Federalist Society. Created in 1982 to counterbalance what its founders considered a liberal legal establishment, the organization gradually evolved into the conservative legal establishment, and membership is all but required for any conservative lawyer who hopes to enter politics or the judiciary. It claims 40,000 members, including five Supreme Court Justices, dozens of federal judges, and every Republican attorney general since its inception. But its power goes even deeper. In Ideas with Consequences, Amanda Hollis-Brusky provides the first comprehensive account of how the Federalist Society exerts influence. Updated in paperback to account for recent developments, this book is the essential guide to the post-Kavanaugh Federalist Society, which continues to broaden its reach at all levels.
