## The Latin Tinge

The Impact of Latin American Music on the United States

---

The second edition of this comprehensive history of the influence of Latin American Music on the United States will include important aspects of the relationship over the last 20 years. Roberts will discuss the major events in Latin jazz. He will update the careers of Tito Puente, Rubén Blades and Willie Colón and other legendary musicians, as well as the emergence of newer bands. Roberts will add the merengue wave of the 1980s, Latino rap and house music, the salsa romántica wave and the revival of the tango. He will discuss the Latin impact on mainstream popular music such as the rise of Selena. The new edition includes a new introduction, new chapter, updated bibliography, discography and glossary of terms.
