## FUTURE DEF INDU SIPRI

P 7 P

This report examines the prospects for defence industries in Central and Eastern Europe as they attempt to restructure in the wake of the dramatic changes in the security environment brought about by the end of the cold war. Chapters examine key factors affecting the process of industrial restructuring in the region: the role of military doctrine, the trend in national military expenditure, the process of internalization of the defence industry, and the role of arms exports. Contributors: Ian Anthony, Shannon Kile, Evamaria Loose-Weintraub
