Lippincott

Obstetric Anesthesia Digest

Obstetric Anesthesia Digest provides timely summaries of the world literature in obstetric anesthesia. Each quarterly issue features dozens of clear, concise summaries of the most significant recent articles, frequently accompanied by insightful commentary by one of the Digest's renowned editorial consultants. The comprehensive coverage includes editorials and reviews, special articles, case reports, and "Short Takes"—abbreviated abstracts of secondary papers The articles surveyed cover all aspects of anesthesia and analgesia as they relate to the mother, fetus, and neonate, providing a fast and easy means to stay current in this fast-changing field.
