Editor: Martha E. Arterberry

Infant Behavior and Development

An International & Interdisciplinary Journal

Infant Behavior & Development is an international and interdisciplinary journal, publishing high-quality work in the areas of cognitive development, emotional development, perception, perception-action coupling, prenatal development, motor development, and socialization using a variety of methodologies (e.g., behavioral, physiological, computational). Article formats include empirical reports, theoretical and methodological reports, brief reports, and reviews. Authors may submit completed manuscripts, Registered Reports, or Results Masked Review articles; please see the Guide for Authors for further details.
