

Evidence

Drawing on the authors' extensive experience at the Bar, Evidence provides an excellent introduction to the essential principles of the law of evidence in both civil and criminal litigation. The manual clearly explains the key rules of evidence, while its practical approach ensures that trainee barristers are prepared to conduct litigation in pupillage and beyond. This manual has been fully revised to cover all recent developments in both civil and criminal evidence, ensuring that the most up-to-date procedure rules and guidelines are included.
