

Foundations for the LPC 2018-2019

Foundations for the LPC covers the compulsory foundation areas of the Legal Practice Course as set out in the LPC outcomes: professional conduct, tax and revenue law, and wills and administration of estates. The book also discusses human rights law, a topic now taught pervasively across the LPC course. Using worked examples and scenarios throughout to illustrate key points, this guide is essential reading for all students and a useful reference source for practitioners. To aid understanding and test comprehension of the core material, checkpoints and summaries feature in every chapter.
