

Financial Accounting GAAP Principles

Financial Accounting IFRS Principles 4e is an accessible textbook which assumes a basic knowledge of financial accounting, and then helps readers understand and apply the accounting standards collectively known as International Financial Reporting Standards (IFRS). The emphasis is on thorough understanding of the principles which underpin financial accounting and practical application. The book excels in its concepts-based approach and sound pedagogy. Financial Accounting is a comprehensive second and third year financial accounting textbook for CA and non-CA stream BCom students at universities and National Diploma (Accounting) students at universities of technology.
