Interactive Staff Training

Rehabilitation Teams that Work

Health workers who provide services to persons with severe mental illness are frequently under enormous stress; burnout is common. Alleviating such stress is the objective of . The book provides rehabilitation and mental health professionals with a strategy to help them and their colleagues work as a well-integrated team. This strategy has been implemented in teams serving more than 10,000 persons with psychiatric disabilities. The text combines a careful description of the central theory behind the strategy with pleanty of clinical anecdotes that illustrate its practical, everyday benefits.
