

Study Guide for Understanding Pathophysiology

Get the review and application tools you need to master difficult pathophysiology concepts! Designed to be used with the Understanding Pathophysiology, 6th Edition textbook, this extensively revised study guide utilizes a wide variety of engaging chapter activities, including application-based case scenarios and thousands of interactive questions, to help you easily integrate and apply pathophysiology information to clinical practice. New features of this study guide edition include nearly 30 new case scenarios, Teach These People About Pathophysiology questions, active headings, and more images from the main text. As with previous editions, answers to all questions can be found in the back of the study guide.
