Berry & Kohn's Operating Room Technique

For over 50 years, Berry & Kohn's Operating Room Technique, 13th Edition has been the text of choice for understanding basic surgical principles and techniques. Highly readable, accurate, and comprehensive, it clearly covers the "nuts and bolts" of surgical techniques in a step-by-step format that makes it easy to effectively apply basic principles to clinical practice. Expert author Nancymarie Phillips emphasizes the importance of teamwork throughout, with practical strategies and examples of how cooperation among perioperative caregivers contributes to positive patient care outcomes. With a strong focus on the physiologic, psychologic, and spiritual considerations of perioperative patients, this updated and expanded new edition gives students the knowledge they need to plan and implement comprehensive, individualized care.
