

Project Finance in Theory and Practice

Designing, Structuring, and Financing Private and Public Projects

Project Finance in Theory and Practice: Designing, Structuring, and Financing Private and Public Projects, Fourth Edition provides essential, core coverage of project finance, offering new insights into Sharia-compliant instruments and a comprehensive overview of the current state of international regulation of banking post financial crisis. This updated edition includes new case studies and topics related to country risk, along with insights from project finance experts who share their specialized knowledge on legal issues and the role of advisors in project finance details. The book will be useful for readers at all levels of education and experience who want to learn how to succeed in project finance.
