Mishra

Digital Cultures

The book explores contemporary selfie-taking practices; digital experiences of love, romance and infidelity; sexting rituals; self-tracking habits; strategies used by the Internet famous; and the power of hashtag campaigns and memes in espousing a cause. Rejecting binary narratives on digital cultures, it showcases the fascinating ways in which we use our digital devices, social media platforms, and apps by drawing upon academic research, everyday observations and a determination to challenge assumptions and hasty generalizations. It also engages with emerging narratives on online authenticity, privacy, digital detox, and the digital divides prevalent both in India and abroad.

The book showcases the fascinating ways in which we use our digital devices, social media platforms and apps by drawing upon academic research, everyday observations and a determination to challenge assumptions and hasty generalizations.
