

Eigen

Eigen in Seoul Volume Three

Pain and Beauty, Terror and Wonder

Between 2007 and 2011, Michael Eigen gave three seminars in Seoul, each running over three days and covering different aspects of psychoanalysis, spirituality and the human psyche. This book is based on a transcription of the third seminar, which took place in 2011, on the subject of Pain and Beauty. The first two were published as *Madness and Murder* (2010) and *Faith and Transformation* (2011). A conjunction of the pain that shatters and beauty that heals is made by many authors, including Bion, Winnicott, Milner, Meltzer, Perls, Ehrenzweig, Matte-Blanco, Schneur Zalman, Chuang-Tzu, Buber, Castaneda, and Levinas. These and others are used as windows of the psyche, adding to possibilities of experience and opening dimensions that bring us life. Eigen explores challenges of the human psyche, what we are up against and the resources difficulties can stimulate. This work spans many dimensions of human experience with interplay, fusions and oppositions of pain, beauty, terror, and wonder, and makes use of poetic and philosophical expressions of experience. It will be vital reading for psychoanalysts, psychotherapists, and all those with an interest in psychoanalytic and spiritual psychology.
