Eisenberg

Radiology and the Law

Malpractice and Other Issues

Practically every radiologist would benefit from an all-encompassing guide to malpractice issues in radiology. Dr. Ronald Eisenberg, a highly respected author in the field, has put together a comprehensive reference to provide radiologists with an introduction to malpractice issues and a basic understanding of their relationships with government regulatory agencies and HMOs. This softcover book will detail the mechanics of a lawsuit, how radiologists can become the object of a malpractice action, and what they can do to minimize potential exposure.
