

Schechner

The Future of Ritual

Writings on Culture and Performance

In *The Future of Ritual*, Richard Schechner explores the nature of ritualised behaviour and its relationship to performance and politics. A brilliant and uncontainable examination of cultural expression and communal action, *The Future of Ritual* asks pertinent questions about art, theatre and the changing meaning of 'culture' in today's intercultural world. An exciting new work by the author of *Performance Theory*.

A brilliant examination of cultural expression and communal action, *The Future of Ritual* asks pertinent questions about art, theatre and the changing meaning of 'culture' in today's intercultural world.
