Carr

Professionalism and Ethics in Teaching

Professionalism and Ethics in Teaching presents a thought-provoking and stimulating study of the moral dimensions of the teaching professions. After discussing the moral implications of professionalism, Carr explores the relationship of education theory to teaching practice and the impact of this relationship on professional expertise. He then identifies and examines some central ethical and moral issues in education and teaching. Finally David Carr gives a detailed analysis of a range of issues concerning the role of the teacher and the managements of educational issues. Professionalism and Ethics in Teaching presents a thought-provoking and stimulating study of the moral dimensions of the teaching professions.

Discusses the moral implications of professionalism and explores the relationship of education theory to teaching practice and the impact of this relationship on professional expertise.
