

European Cities and Technology Reader

The European Cities and Technology Reader is designed to be used on its own or as a companion volume to the accompanying European Cities and Technology textbook in the same series. The European Cities and Technology Reader is divided into three main sections presenting key readings on: Cities of the Industrial Revolution (to 1870), European Cities since 1870 and the Urban Technology Transfer. Compiled as a reference source for students, this reader offers a deeper understanding of the historical role of technological change in urban development.
