Global Financial Crises and Reforms

Cases and Caveats

This is an innovative collection of papers written by a panel of highly respected academics and financial experts. Whilst providing an insight into the phenomenology of the financial crises of the 1990s in Asia and Latin America, the book also explores possibilities for their solution.

This book is a collection of papers that provides deeper insight into the financial crises of the 1990's in Asia and Latin America and explores the possibilities for their solution.
