Studying for Success

This lively and stimulating book offers an enlightening new approach to effective study. Without minimising the importance of good organisation and hard work, the author stresses throughout that study must and can be fun. Delivered with characteristic humour and wisdom, Richard Palmer updates and reinvigorates a classic, best-selling book with new sections on computers and the internet, as well as chapters covering important areas such as: - memory and review - essay planning and writing - note-taking - time management - using resources - exam techniques and preparation. This is an inspiring, essential read for all students studying for A Levels and undergraduate degrees who want to find the key to achieving success both in coursework and exams.
