## Primary Education

The Key Concepts

Presenting a balance of theoretical insight and practical advice, this text is a clear and accessible guide to the key issues relating to primary education. Alphabetically arranged and fully cross-referenced to ensure ease of use, entries include both curriculum specific terms, as well as those that are more generic, such as: - assessment - objectives - coping strategies - differentiation - behaviour - special needs - time management. Written by an experienced teacher and lecturer, this is a concise yet comprehensive text that takes into account the everyday realities of teaching. Readable and user-friendly, it is a first-class resource for the primary practitioner at all levels.

Presenting a balance of theoretical insight and practical advice, this well-informed text is a clear and accessible guide to the key issues relating to primary education.
