

Globalization

The Key Concepts

Viewed as a destructive force or an inevitability of modern society, globalization is the focus of a multitude of disciplines. A clear understanding of its processes and terminology is imperative for anyone engaging with this ubiquitous topic. Globalization: the Key Concepts offers a comprehensive guide to this cross-disciplinary subject and covers concepts such as: - homogenization - neo-Liberalism - risk - knowledge society - time-space compression - reflexivity. With extensive cross-referencing and suggestions for further reading, this book is an essential resource for students and interested readers alike as they navigate the literature on globalization studies.
