Evenki

Evenki is one of nine Tungusic languages spoken in Siberia and Northern China. This book gives the first ever complete description of all this language's linguistic domain. Evenki is remarkable both for the vast area where it is spoken - from Western Siberia through the Amur region to the shores of the Arctic Ocean to Northern China - and for its immense number of dialects and sub-dialects.

Evenki is one of nine Tungusic languages spoken in Siberia and Northern China. This book gives a complete description of all this language's linguistic domain.
