

Spoilsports

Understanding and Preventing Sexual Exploitation in Sport

Sexual exploitation in sport is a problem that has beset both male and female athletes privately for decades but which has only recently emerged as a public issue. Spoilsports is the first comprehensive review of this issue, integrating pioneering academic research, theoretical perspectives, and practical guidelines for performers, coaches, administrators and policy-makers. Key topics include: * 'moral panic' * children's rights * masculinity and power * making and implementing policy * leadership in sport. Spoilsports draws extensively on the personal experiences of athletes and those involved in sport. Challenging and controversial, this book represents an important step towards tackling a difficult issue. It is essential reading for coaches, athletes, parents, policy-makers and all those with a personal or professional interest in sport.

Spoilsports offers the first systematic review of the problem of sexual exploitation and abuse within sport. This is an invaluable resource for both academics and policy makers seeking to understand and deal with issues of sexual exploitation in sport
