Flip Video For Dummies

The full-color guide to shooting great video with the Flip Video camera The inexpensive Flip Video camera is currently one of the hottest must-have gadgets. It's portable and connects easily to any computer to transfer video you shoot onto your PC or Mac. Although the Flip Video camera comes with a quick-start guide, it lacks a how-to manual, and this full-color book fills that void! Packed with full-color screen shots throughout, Flip Video For Dummies shows you how to shoot the best possible footage in a variety of situations. You'll learn how to transfer video to your computer and then edit it and share your Flip Video movies. * Walks you through the basics of using a Flip Video camera and connecting it to your Mac or PC * Explains how to shoot footage indoors, outdoors, and even underwater * Covers editing video footage using FlipShare, Windows Movie Maker, or iMovie * Shows you how to share Flip Video movies or upload them to YouTube, Facebook, and other sites You'll flip out when you discover just how easy a Flip Video camera can be when you have this book by your side!

Master the #1 camcorder on the market and share your movies with the world The Flip Video camera is a fun, friendly device that lets you capture life's greatest moments. Now you can maximize those moments with the expert guidance in this handy reference. In addition to the basics -- shooting amazing videos, editing your content, and sharing the results online -- you'll get the advice you need to max out the capabilities of this powerful video camera. * Get to know the Flip -- become familiar with all Flip models, install FlipShare, and adjust settings on your camera * From camera to computer -- connect the Flip to a Mac or PC to charge your gadget and transfer your video * From computer to DVD -- find out how to burn your movies to DVD so you can watch them on TV * Share with the world -- show your movies using FlipShare or upload to YouTube, Facebook, and other social networking sites * Fine-tuning and editing -- make your video just right with Windows Live Movie Maker, iMovie, or FlipShare Open the book and find: * Tips for adjusting Flip settings * Ways to screen your videos on the Web * Clues on Magic Movies and Snapshots * Steps for adding titles, credits, and soundtracks to your movies * Advice on using FlipShare * Hints for maintaining your camera * Details on every Flip model * Pointers for shooting great video
