

Management Information Systems

This new first edition from best-selling author Kelly Rainer, and highly respected coauthor, Hugh Watson, supports your teaching goals by allowing for maximum flexibility of coverage, and by engaging students with a tested pedagogical structure. Utilizing flexible Learning Units comprised of tightly coupled concepts and Student Activities, Rainer transports the student from passively learning about IS to doing IS in a realistic context. Plug IT In learning extensions enable instructors to introduce material of interest at their discretion. Plug IT In's cover such topics as project management, business processes, and information asset protection.
