

Interactive Level 4 Classware DVD-ROM

Interactive is an exciting four-level course for teenage learners from elementary to upper-intermediate levels (CEF A2-B2). Interactive Classware offers you an exciting way to use the Level 4 Student's Book material in class. It brings together all the core content of the course into a single platform, allowing for immediate access to key resources, including all of the Student's Book, images, audio and video content for Interaction and Pronunciation activities in the Student's Book. Whether you've got a computer and projector or an interactive whiteboard, this software facilitates 'heads-up' teaching, encouraging your students to interact even more with each other - and with their learning material.
