

L-Functions and Arithmetic

This volume is an outgrowth of the LMS Durham Symposium on L-functions, held in July 1989. The symposium consisted of several short courses, aimed at presenting rigorous but non-technical expositions of the latest research areas, and a number of individual lectures on specific topics. The contributors are all outstanding figures in the area of algebraic number theory and this volume will be of lasting value to students and researchers working in the area.

Artikelnummer: 9780521386197

Medium: Buch

ISBN: 978-0-521-38619-7

Verlag: Cambridge University Press

Erscheinungstermin: 20.10.2004

Sprache(n): Englisch

Auflage: Erscheinungsjahr 2004

Serie: London Mathematical Society
Lecture Note Series

Produktform: Kartoniert

Gewicht: 653 g

Seiten: 400

Format (B x H): 152 x 229 mm
