Guide to WTO Law and Practice

The WTO Analytical Index is a guide to the legal interpretation and application of the Agreements by the WTO Appellate Body, WTO dispute settlement panels and other WTO bodies. The book assists anyone working with WTO law in identifying the existing jurisprudence and relevant decisions concerning a given provision of any WTO Agreement. This is a unique work produced by the Legal Affairs Division of the WTO Secretariat with contributions from other Divisions of the Secretariat and the Appellate Body Secretariat. The second edition of the WTO Analytical Index covers developments in WTO law and practice through to the end of December 2004.
