

Denison

English Historical Syntax

This study brings together many of the resources needed for the exploration of English historical syntax and deals with many of the important changes in English sentence structure from Old English to present. It also features a survey of published research from both classical and modern linguistic traditions, as well as new research by the author. Provides guidance on methodology, important reference materials, and the general history of the English language.

Brings together many of the resources needed for the exploration of English historical syntax and deals with the important changes in English sentence structure from old English to the present.
