Technology, Tradition and Survival

Aspects of Material Culture in the Middle East and Central Asia

The contributors address the history, originality, variety and sophistication of traditional science, technology and material culture in the Middle East and Central Asia, their influence on the history of Europe and the West, and the threat posed by modern Western technologies.

The contributors address the history, originality, variety and sophistication of traditional science, technology and material culture in the Middle East and Central Asia, their influence on the history of Europe and the West, and the threat posed by modern Western technologies.
