Making It in the Political Blogosphere: The World's Top Political Bloggers Share the Secret

A lively and informative examination of political blogging, through interviews with some of the most prominent of today's political bloggers. This title introduces readers to 20 of the world's top political bloggers, providing those bloggers with the opportunity to explain in their own words what they have done to become so successful while offering readers advice about what they can do to emulate the contributors' success. Each chapter begins with a brief profile of a blogger and their blog, followed by my interview with him or her.
