

Current Themes in Engineering Technologies

Selected Papers of the World Congress on Engineering and Computer Science

All papers have been peer-reviewed. This volume contains revised and extended research articles on the engineering and computer science written by prominent researchers participating in the World Congress on Engineering and Computer Science (WCECS) 2007. The WCECS 2007 is organized by the International Association of Engineers (IAENG), a non-profit international association found by the engineering and the computer science pioneers in 1968.
