Ultimate Psychometric Tests

Over 1000 Verbal Numerical Diagrammatic and IQ Practice Tests

The use of psychometric tests in selection and assessment procedures is on the rise. For unprepared interviewees tests represent a considerable challenge and many more people fail than pass. *Ultimate Psychometric Tests* will help you to stand out from the crowd. Designed for self-study, the range of questions provide an excellent opportunity for practice. They will help you to improve your technique as well as boosting your confidence prior to taking a test in a real-life assessment situation. Types of test include: verbal and numerical reasoning, personality questionnaires, non-verbal reasoning (including diagrammatic reasoning), mechanical comprehension and IQ tests. With over 1000 realistic practice questions, Ultimate Psychometric Tests is the ideal starting point if you are a school or college leaver but is also the perfect introduction to graduate level tests.
