

Develop Your Presentation Skills

An excellent presentation has never been more important. At work we are constantly aware of the need to keep customers on board, persuade staff or influence peers.

Develop Your Presentation Skills takes a step-at-a-time approach to developing a belting presentation, from unpicking the original brief, understanding just what an audience wants and constructing compelling content that will keep them rapt with attention. With anecdotes and expert input, **Develop Your Presentation Skills** covers all the essentials necessary to make a good presentation, including advice on how to build confidence; increase personal competence; use body language; maximise effectiveness of room layout; use technology and implement disaster recovery methods. Together with key learning points, case studies and top tips, **Develop Your Presentation Skills** is essential reading for anyone who wants to exude confidence and nail that presentation.
