Ultimate Aptitude Tests

Assess and Develop Your Potential with Numerical, Verbal and Abstract Tests

Measuring your competence as well as your potential for achievement, aptitude tests are increasingly used by organisations to select the best new staff for their teams as well as to develop those already employed. With them, businesses gain a greater level of certainty in their recruitment decisions and also use them to fast track potential leaders.

Ultimate Aptitude Tests, now in its third edition and part of the best-selling Ultimate series, is the largest and most comprehensive book of its kind, boasting over 1000 varied practice questions with accompanying detailed answers and explanations. In such a competitive job market, this is the perfect book to ensure you're entirely prepared to get those high scores and impress potential employers. Providing essential practice, it includes psychometric tests that mirror those you are likely to encounter, including abstract visual tests, verbal and numerical reasoning aptitudes test, practical skills and understanding tests as well as different types of mechanical and spatial awareness tests. This new edition also now includes a brand new section on online testing environments as well as free access to a separate full online test to evaluate your abilities. **Ultimate Aptitude Tests** is brilliant preparation for candidates wishing to outshine their competition on the job market and secure their dream job.
