Databases with Access

This handy textbook covers all you need to know to begin to use databases such as Microsoft Access. Learning Made Simple books give readers skills without frills. They are matched to the main qualifications, and written by experienced teachers and authors to make often tricky subjects simple to learn. Every book is designed carefully to provide bite-sized lessons matched to learners' needs. Building on the multi-million success of the previous series Made Simple Books, Learning Made Simple titles provide both a new colourful way to study and a useful adjunct to any training course. Using full colour throughout, and written by leading teachers and writers, Learning Made Simple books will help readers learn new skills and develop their talents. Whether studying at college, training at work, or reading at home, aiming for a qualification or simply getting up to speed, Learning Made Simple books will give readers the advantage of easy, well-organised training materials in a handy volume with two or four-page sections for each topic for ease of use.
